

**multi-purpose  
surface cleaner**

## **A CLEANER WORLD IS WITHIN REACH**

Purleve delivers a unique and revolutionary cleaner and deodorizer that harnesses the power of bacteria and enzymes to yield unsurpassed cleaning power.

### *Key Benefits of Purleve's Multi-Purpose Surface Biological Cleaner & Deodorizer:*

- Excellent for No-Water & Water Urinal Maintenance
- Fast Acting & Easy to Use
- Environmentally Friendly
- No Harsh Chemicals
- Effective for All Types of Organic Stains
- Pleasant Fragrance
- Degrades and Eliminates Urine
- Non-Toxic & Non-Corrosive
- Professional Strength Concentrate
- 100% Non-Pathogenic Alive Bacteria

Unlike chemical options which offer a temporary solution at best, this formula naturally and safely degrades grease and organic buildup on a wide variety of hard surfaces. The biological components are highly efficient at penetrating porous surfaces to remove embedded grease, dirt, and grime in crevices, corners and grout lines.

Purleve's carefully adjusted pH gives this formula added strength against soap scum, hard water stains, light rust, and other problems that commonly occur in bathroom settings.

### *Purleve Cleaner & Deodorizer Directions for use:*

**Heavily Soiled Areas:** Spray solution on affected area and let sit for 10 to 15 minutes. No scrubbing necessary; however, if time permits, a light scrub and rinse will optimize cleaning results.

**Basic Cleaning:** Spray and Walk Away. However, if time permits, spray on surface and wipe with a clean damp cloth. Always test area before using if concerned about negative interactions with surface.
