Pūrleve PūrShield

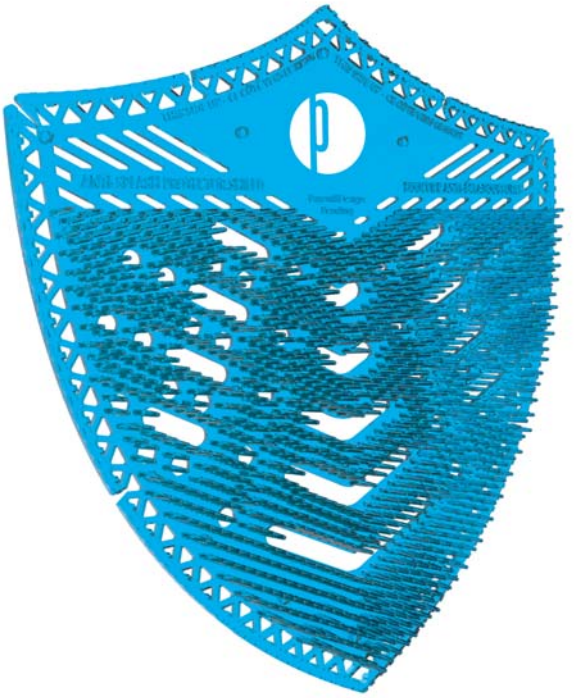
A CLEANER WORLD IS WITHIN REACH

The Pūrleve PūrShield provides the washroom a strong solution to protect the plumbing while effectively masking malodors. The innovative and patented design ensures that the urine splash is minimized, which further prevents unpleasant messes and odors.

PūrShield Benefits!

- Powerful performance
- Premium fragrance release lasts 30 days
- Reduced Cleaning Time & Eliminates Need for Special Sprays
- Innovative design & patented PūrShield shape for superior fit in most urinal styles & shapes
- Longer protrusions help reduce the urine splash
- Eco Friendly
- Material biodegradable and recyclable
- Better for the environment compared with normal PVC screens
- Numerous color and fragrance options
- Effective in High Traffic areas

Pūrleve PūrShield



Helpful Hints:

- Regular monthly use of Pūrleve's PūrShield on both no-water and standard flush urinals can significantly reduce frequency of plugging, urinal downtime and odor.
- Do not use in Pūrleve or ZeroFlush no water urinals if Pūrleve FLEX screens already in place
- Ensure it is replaced every 30 days to optimize performance.
- Ensure the plastic Pūrleve logo is facing UP when placing the PūrShield in urinal.
