

## Pürleve PürBlock Urinal Screen

### *A CLEANER WORLD IS WITHIN REACH*

The Pürleve PürBlock Urinal Screen not only traps unwanted debris from entering the drain lines, it also deodorizes, cleans and prevents scale build up. Every flush over the Pürleve PürBlock tints the water blue while the good bacteria eliminates odors and helps maintain the drain lines.

### **Benefits of the PürBlock!**

- Powerful performance
- Premium fragrance release lasts 30 days
- Deodorizes, cleans and prevents scale build up
- Provides a blue water that conveys 'CLEAN'
- Breaks down organic matter in drains to help keep clean
- Eco Friendly
- Effective in High Traffic areas
- Use in any type of urinal

100% BIO

NO BATTERIES

### **Pürleve PürBlock Urinal Screen**

### **Helpful Hints:**

- Regular monthly use of Pürleve's PürBlock Urinal Screen on both no-water and low flow flush urinals can significantly reduce the frequency of plugging, urinal downtime and odor
- Do not use in Pürleve or ZeroFlush no water urinals if Pürleve BioPür already in place
- Ensure replaced every 30 days to optimize performance
