

# Pürleve PürStick Air Freshener

## A CLEANER WORLD IS WITHIN REACH

The Pürleve PürStick Air Freshener can be placed anywhere with the accompanying easy-to-use plastic holder that sticks to any flat surface. This powerful air freshener works well in restrooms, lobbies, conference rooms and anywhere odor control is needed. It contains 10x more fragrance than the leading air freshener and consistently releases pleasant fragrance for 30 days.

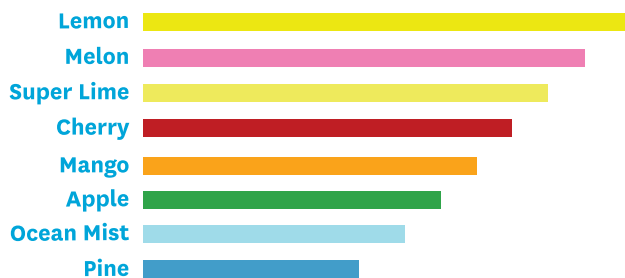

### Benefits of The PürStick!

- Powerful performance
- Premium fragrance release lasts 30 days
- Innovative design
- Easy to install and replace
- Eco Friendly
- Material biodegradable and recyclable
- Can be placed anywhere to fight odor!
- Does not dissolve when wet
- Numerous color and fragrance options

### Helpful Hints:

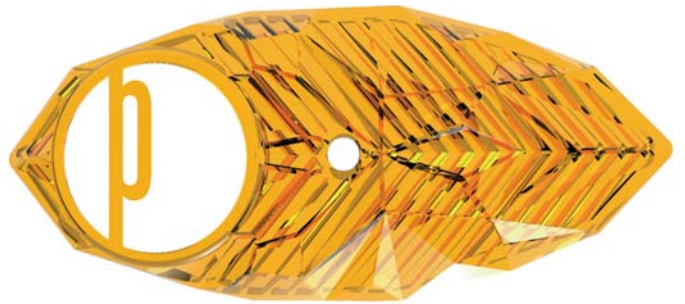

- Ideally place in areas concealed from bathroom patrons to avoid theft. On the side of the urinal tank, behind toilet tank, under counters, etc. are ideal.
- Ensure the surface is cleaned and dry before mounting.
- Using 2 or 3 of these in strategic locations will significantly mask any malodor.
