Protective Face Goggles

Purleve's Disposable & Protective Face Goggles were developed in conjunction with Physicians at Milwaukee, Wisconsin Hospitals in response to the COVID 19 crisis. Goggles were designed to protect our hero's eyes and can be worn comfortably with a N95 Mask.

Face Goggles

- Clear, lightweight 0.015" gauge PETG protects eyes.
- Lightweight plastic frame for comfort.
- Does not contain latex.
- Has not been ANSI rated
- Clean with a lint free cotton or micro fiber cloth.
- Fits comfortably over the N95 Masks.

Protective Face Shields

Purleve's Face Shields provide protection against large droplets, splashes or sprays of bodily or hazardous fluids.

They do not provide reliable protection from inhaling smaller airborne particles.

Face Shield

- Clear, lightweight plastic covers the entire face and ears.
- 1/2 inch thick foam for a comfortable fit to the forehead.
- Vinyl strap with Velcro tabs for sizing adjustments.
- Does not contain latex.
- Has not been ANSI rated.
