Pleated & Flexible Protective Face Masks

Reusable and Washable Custom Images & Colors.

For the larger head or require a 'LOOSE' fit, Purleive's Pleated Face Masks provide protection against large droplets, splashes or sprays of bodily or hazardous fluids.

They do not provide the wearer with reliable protection from inhaling smaller airborne particles and are not considered respiratory protection.

Custom Lite Protective Face Masks

Our Custom Lite Face Covers feature a full wrap around tube-style construction which eliminates the painful rubbing and sores from other disposable face masks. These masks are made with a 'stretchy spandex' and can be printed in full color! Each mask can be washed numerous times and can be used to cover N-95 Masks.
