

PÜRLEVE PÜR CLEAN SLIM MANUAL DISPENSING SYSTEM

PÜR CLEAN SLIM MANUAL LIQUID DISPENSING SYSTEM

The PürClean SLIM Manual Liquid Dispensing System is ADA Compliant and ensures that the customer has all of their hand and surface care needs in one compact solution. The System offers Foam and Liquid refill options in a 'Refillable' 500 ML container or a 'One Time Use' 1,000 ML bag. Further, the compact and key-less dispenser provides the customer options to install in many locations for hand care and surface care, including the toilet stalls for toilet seat sanitizing. A placard can be placed behind the Cover Lens for Branding and / or Liquid Identification purposes.
