

Protective Shield Connect Kit

Pūrleve's Personal Protection Hygiene barriers provide protection in any environment where people interact in close proximity. The CDC and OSHA recommend PETG barriers as protection against the spread of COVID-19 when social distancing can't be practiced.

Pūrleve Protective Shield Connect Kit is designed for seating areas of 4 people. Material is a durable 3/16" PETG and Polycarbonate. The Kits secure to the table with 8 stability feet and adhesive tape. The Kits can be easily removed from seating areas for cleaning.

Kit includes the following:

- 4 each: 24" by 24" rounded corner 3/16" PETG /PC
- 2 each: 4-way connectors
- 8 each: Stability feet with adhesive tape
